EDAC APPOINTS NEW INTERNAL COORDINATOR

The Economic Development Advisory Committee (EDAC) is pleased to introduce Kelli Schanz in the new position of EDAC's Internal Coordinator. As such, Ms. Schanz will play an essential role in serving the Township's commercial sector by providing a point of contact for current and future businesses, commercial property owners, and prospective developers.

"Ms. Schanz will be an important link between our business community and the Township," noted Mayor John T. Sheridan. "As a single point of contact," he added, "she will be a resource to help our existing businesses with inquiries, and shepherd developers and new businesses through the permitting and approval process."

Ms. Schanz, who holds a B.S. degree in Business Management, brings a wealth of experience in the field of banking to her new role with EDAC, along with a passion for providing excellent customer service. Fully embracing EDAC's goals to attract new commercial development to the Township while retaining existing business, she is eager to help guide business professionals through municipal processes to create successful outcomes.

Ms. Schanz can be reached via e-mail at kschanz@hanovertownship.com, or by phone at (973) 428-2497.

Ms. Schanz's appointment as EDAC's Internal Coordinator, is one of the many steps recently taken by EDAC to strengthen relations between the Township and the commercial sector and to further demonstrate that the Township of Hanover is, indeed, "Open for Business."
